

5th SEC-tember
IBSSA Special International Training Course
19th – 23rd September 2006, Budapest / Hungary

The 5th SEC-tember concluded with great success and satisfaction. So far the best and the most satisfying professional event of IBSSA. The SEC-tember project became the yearly elite educational program of IBSSA. This year 33 participants from 9 countries attended the event.

PATRONS OF THE EVENT:

Prof. George POPPER – President of IBSSA
Dr. Kálmán SÓTI, police colonel – Director of Adyliget Law Enforcement College
Dr. Valér DÁNOS, ret. police brigadier-general – Director of IRM-RBI

As last year the IBSSA Education & Qualification Department announced, we started a prearranged system that each year the SEC-tember will have a specially designed professional concept to highlight during the training program.

The main subject of this 5th SEC-tember was the vehicle for the security personnel. We ran a special training program in which we dealt with the car from the eye of the bodyguard and security agent, we run theoretical as well as practical exercises, Master classes within the frame of the following subjects:

- Combat driving, escorting by car
- Car security check-up
- Shooting, Firearms techniques and safe use
- Escorting / Close Protection tactics (individual and team)
- Krav Maga / Self defence
- Basic Bomb-related studies
- First aid and Emergency rescue
- VIP Protection with practical shooting / special exercises under professional supervision and guidance of a psychologist / at the Ministry of Interior – International Training Centre

The Education & Qualification Department announced the coming three years programs for the SEC-tember projects:

2007 – Security inside the buildings

2008 – Security outside space and around the building

2009 – Full security system in mass public events

From the 5th SEC-tember we enabled the Senior Candidates of the training course to receive International Qualifications of IBSSA, depend on the recommendation of the Master Teachers Team of the course.

This year we introduced an upgraded system for testing the candidates for Instructors qualification. The candidates were tested in front of the Master Teachers Team:
