

Dear Colleges

It is my pleasure to inform you that this year IBSSA Mexico continued with its successful activities.

This year we have been officially accepted in ASUME, an organization that brings together all the most influential security organizations in the country. ([www.asume.mx](http://www.asume.mx))

Being part of ASUME, IBSSA Mexico is now part of CCE, Business Coordinating Council - the most powerful Mexican business organization ([www.cce.org.mx](http://www.cce.org.mx)) that gets together all major Mexican and international companies and business associations.

IBSSA Mexico was a sponsor of EP Summit, the most important event dedicated to Executive Protection in Latin America, proudly managed and organized by IBSSA Mexico members. ([www.epsummit.com.mx](http://www.epsummit.com.mx))

We had more than 200 assistants, and we had present as a speaker Mr. Karl de la Guerra IBSSA Chairman

All these events brought enormous credibility to IBSSA in Mexico and positioned our certification EPS "Executive Protection Specialist" as number one in the Mexican market so many international companies such as Volkswagen, BASF, and others sent their executive protection agents to our certification process.

We are sure that success will continue in the years to come as we set a reliable base for our organization to grow in this part of the World

Best regards

Ivan Ivanovich
